The Nine Satanic Statements

1. Satan represents indulgence instead of abstinence!

2. Satan represents vital existence instead of spiritual pipe dreams!

3. Satan represents undefiled wisdom instead of hypo-critical self-deceit!

4. Satan represents kindness to those who deserve it instead of love wasted on ingrates!

5. Satan represents vengeance instead of turning the other cheek!

6. Satan represents responsibility to the responsible instead of concern for psychic vampires!

7. Satan represents man as just another animal; sometimes better, more often worse than those that walk on all-fours, who, because of his “divine spiritual and intellectual development,” has become the most vicious animal of all!

8. Satan represents all of the so-called sins, as they all lead to physical, mental, or emotional gratification!

9. Satan has been the best friend the Church has ever had, as He has kept it in business all these years!
The Eleven Satanic Rules of the Earth

1. Do not give opinions or advice unless you are asked.

2. Do not tell your troubles to others unless you are sure they want to hear them.

3. When in another’s lair, show him respect or else do not go there.

4. If a guest in your lair annoys you, treat him cruelly and without mercy.

5. Do not make sexual advances unless you are given the mating signal.

6. Do not take that which does not belong to you unless it is a burden to the other person and he cries out to be relieved.

7. Acknowledge the power of magic if you have employed it successfully to obtain your desires. If you deny the power of magic after having called upon it with success, you will lose all you have obtained.

8. Do not complain about anything to which you need not subject yourself.

9. Do not harm little children.

10. Do not kill non-human animals unless you are attacked or for your food.

11. When walking in open territory, bother no one. If someone bothers you, ask him to stop. If he does not stop, destroy him.
The Nine Satanic Sins

1.) Stupidity - The top of the list for Satanic Sins. The Cardinal Sin of Satanism. It’s too bad that stupidity isn’t painful. Ignorance is one thing, but our society thrives increasingly on stupidity. It depends on people going along with whatever they are told. The media promotes a cultivated stupidity as a posture that is not only acceptable but laudable. Satanists must learn to see through the tricks and cannot afford to be stupid.

2.) Pretentiousness - Empty posturing can be most irritating and isn’t applying the cardinal rules of Lesser Magic. On equal footing with stupidity for what keeps the money in circulation these days. Everyone’s made to feel like a big shot, whether they can come up with the goods or not.

3.) Solipsism - Can be very dangerous for Satanists. Projecting your reactions, responses and sensibilities onto some-one who is probably far less attuned than you are. It is the mistake of expecting people to give you the same consideration, courtesy and respect that you naturally give them. They won’t. Instead, Satanists must strive to apply the dictum of “Do unto others as they do unto you.” It’s work for most of us and requires constant vigilance lest you slip into a comfortable illusion of everyone being like you. As has been said, certain utopias would be ideal in a nation of philosophers, but unfortunately (or perhaps fortunately, from a Machiavellian standpoint) we are far from that point.

4.) Self-deceit - It’s in the “Nine Satanic Statements” but deserves to be repeated here. Another cardinal sin. We must not pay homage to any of the sacred cows presented to us, including the roles we are expected to play ourselves. The only time self-deceit should be entered into is when it’s fun, and with awareness. But then, it’s not self-deceit!

5.) Herd Conformity - That’s obvious from a Satanic stance. It’s all right to conform to a person’s wishes, if it ultimately benefits you. But only fools follow along with the herd, letting an impersonal entity dictate to you. The key is to choose a master wisely instead of being enslaved by the whims of the many.

6.) Lack of Perspective - Again, this one can lead to a lot of pain for a Satanist. You must never lose sight of who and what you are, and what a threat you can be, by your very existence. We are making history right now, every day. Always keep the wider historical and social picture in mind. That is an important key to both Lesser and Greater Magic. See the patterns and fit things together as you want the pieces to fall into place. Do not be swayed by herd constraints—know that you are working on another level entirely from the rest of the world.

7.) Forgetfulness of Past Orthodoxies - Be aware that this is one of the keys to brainwashing people into accepting something new and different, when in reality it’s something that was once widely accepted but is now presented in a new package. We are expected to rave about the genius of the creator and forget the original. This makes for a disposable society.

8.) Counterproductive Pride - That first word is important. Pride is great up to the point you begin to throw out the baby with the bathwater. The rule of Satanism is: if it works for you, great. When it stops working for you, when you’ve painted yourself into a corner and the only way out is to say, I’m sorry, I made a mistake, I wish we could compromise somehow, then do it.

9.) Lack of Aesthetics - This is the physical application of the Balance Factor. Aesthetics is important in Lesser Magic and should be cultivated. It is obvious that no one can collect any money off classical standards of beauty.

The Nine Satanic Sins

1.) Stupidity - The top of the ladder of Satanic Sins. The Cardinal Sin of Satanism. It's too bad that stupidity isn't painful. Ignorance is one thing, but our society thrivesincreasingly on stupidity. It depends on people going along with whatever they are told. The media promotes a culture of ignorance where people are told what to think and what to feel. It's time to stand up and say, "I'm sorry, I made a mistake. I wish I could reprogram my mind, like I do with my computer.

2.) Pretentiousness - It's one of the cardinal rules of Lesser Magic. Avoid foolishness and don't apply the cardinal rules of Lesser Magic if what you are doing is foolish. It's not applying the cardinal rules of Lesser Magic, which is another cardinal sin. Everyone's mind is a little bit different, whether it comes up with good or not.

3.) Solipsism - It's the opposite of Satanism. Projecting your reactions, responses and sensibilities onto someone else is probably the least original thing you are. It's the mistake of expecting people to give you the same consideration and respect that you actually give them. It's what's called the "stupid" factor. It's the mistake of expecting people to give you more than they are capable of.

4.) Self-Deception - It's one of the Nine Satanic Sins. It's all right to conform to a person's wishes. It's all right to tell a lie when you know it's a lie. It's all right to say, "I'm sorry, I made a mistake. I wish we could compromise somehow."

5.) Lack of Aesthetics - This is the physical application of the Balance Factor. Aesthetics is important in Lesser Magic and should be cultivated. It is obvious that no one can cultivate any money of classical standards of beauty.
